

VLSI Design (MScTI_ANADESIGN)

Prof. Dr. P. Fischer

Lehrstuhl für Schaltungstechnik und Simulation
Technische Informatik der Uni Heidelberg

Organization of Lecture & Exercise

- Points: 6 Credit Points
- Time: Monday, 9:15 – 10:45, 11:00 – 12:30
- Location: CIP Pool of KIP
- Teacher:
Prof. Dr. P. Fischer
MA, B6, B3.02 Tel. 0621 – 181.2735
peter.fischer@ziti.uni-heidelberg.de
- Secretary:
Beate Wunsch
MA, B6, B3.03 Tel. 0621 – 181.2733
beate.wunsch@ziti.uni-heidelberg.de
- Internet: [http://sus.ziti.uni-heidelberg.de/Lehre/...](http://sus.ziti.uni-heidelberg.de/Lehre/)

- Prerequisites: CCS lecture or equivalent knowledge
- Examination: tbd.
probably: oral examination of ~15 minutes
The exercises are essential part of the exam!

Exercises

- Mainly in 2nd block (but also in 1st...)

- You get an account on a SuS computer!
- NOTE: The account will be CLOSED automatically at the start of the next (summer) term!

- Homework can be done
 - In student room in Mannheim B6, 26, room 3.01
 - Remote from the CIP pools (KIP, PI, Philosophenweg,...)
 - Remote from home (via X2GO, see instructions on web site)

- For using the umc018 technology, a non-disclosure agreement has to be signed!

Content (NEW) (not treated in this order)

- Technology, Manufacturing of Integrated Circuits
- Test equipment & procedures

- *Hierarchical schematics, busses, global nets,...*
- Layout of components, rules, matching

- Design Rule Check, Design Rules, technology files;
Extraction & rule files; Layout versus Schematic Check;
ESD and Antenna rules, latchup
- Script programming using skill. *Simulation with ocean*
- *Mixed Mode Simulation*
- *Noise*

- In Addition: Digital Logic

Further Comments

- The lecture is a mandatory element of major 'chip design'

Literature

- **Principles of CMOS VLSI Design**

Neil H. E. Weste, K. Eshraghian, Addison-Wesley 1994,
ISBN 0-201-53376-6, 91 € (Amazon)
Classic for CMOS Design, easy to read, not really up to date but sufficient for beginners.

- **Integrierte Schaltungen (German)**

K.H. Cordes, A. Waag, N. Heuck
Pearson Studium 2011, ISBN: 978-3-86894-011-4,
79,95 EUR
Gute Mischung der verschiedenen Themen

Demo

- Live Demo of what we will do...
